ABOUT FD ASSOCIATES

FD Associates was established in 1990 for the purpose of providing assistance and guidance to small and medium size companies in licensing and compliance with the International Traffic in Arms Regulations (ITAR) and the Export Administration Regulations (EAR).

We offer assistance with:

- Commodity Jurisdiction requests and product classifications
- State Department Registration
- Preparation of license applications and technical assistance agreements
- Training
- Establishment of Compliance Plans and Procedures
- Internal audits, gap analysis and procedures review
- Voluntary Disclosures

FD Associates' staff are highly knowledgeable in the requirements of both the ITAR and the EAR. We have extensive hands-on experience in the licensing of a variety of equipment to a broad range of destinations under these regulations and can offer practical guidance and advice.

We are available to provide company specific training on the requirements of the ITAR and the EAR. We can assist with audits and procedures to help companies ensure compliance with the regulations.
